--- Instructions for purchasing the:

1) Complete Package (\$324.00, plus UPS shipping and insurance)

ZipTest Pro³™ Complete Package, includes TI-89 Titanium graphing calculator loaded with the ZipTest Pro³ software, software instructions downloaded from www.karg.com/ziptest_specs.htm, and software support. We will charge you the UPS shipping and insurance we pay; there is no additional handling charge.

You may call us with your order or use this form to fill in the appropriate ordering information. Please complete the appropriate lines in **blue** sections of this order form.

2) Software only (139.00)

This includes the ZipTest Pro³™ software (you load the software into **your** calculator), software support, and the software instructions downloaded from www.karg.com/ziptest_specs.htm.

If you are ordering the ZipTest Pro³ software by e-mail, either copy and paste the content of this form to an e-mail message, complete it, and send it back to us; complete it and attach it to an e-mail message; or fax it to us. If you wish to pay by check, send a printed copy of this completed form with your check (don't forget to e-mail or fax the form to us, also). Please print a completed copy of this form for your records before you e-mail it to us. Please complete the appropriate lines in **blue and green** sections of this order form.

3) We load the ZipTest Pro³™ software into your TI-89 Titanium calculator (\$164.00, plus UPS shipping and insurance)

This includes the ZipTest Pro³™ software loaded into your calculator by us, software support, and the software instructions downloaded from www.karg.com/ziptest_specs.htm.

If you wish to have us load the ZipTest Pro³ software into your TI-89, just ship your calculator(s) to us (please, just the calculator). Include a printed copy of this form with your shipment.

Thank you for your interest. We guarantee your satisfaction with our software.

* The calculator serial number is embossed on the back of the calculator case. We only need the first ten digits, nothing more. For instructions on finding the TI-89 calculator ID#, please see the ZipTest Pro³ software manual, page 11, "Finding Your Calculator ID Number". It is very important that you copy this ID# accurately; the software we send to you will not work without the proper ID#. If you wish to order more than ten ZipTest Pro³ software packages, please continue the list if you are ordering electronically (by e-mail) or use another sheet of paper if you are ordering with a hard copy of this order form.
